SUPERVISORS COMMENTS

Pete Socks explained that Earle Black instructed the road crew to put 9' of pipe on private property along Beaver Creek Road and out of the township's right-of-way. This may create a land issue. Will need to check with Tim Shultis to find out how to remedy this.

Tom Danner stated he's heard people talking that he is friends with the newly hired Zoning/Code Enforcement Officer. If you had a friend that was qualified for a position, why wouldn't you recommend them.

Pete Socks stated Hamilton Township has a Zoning Hearing on October 10, 2019 at 7:00 p.m. at the United Hook & Ladder Fire Hall on a proposed residential housing development.

Barry Cockley made a motion to adjourn as 9:00 a.m., seconded by Scott Kennedy. Motion carried.

Respectfully submitted,

Jean A. Hawbaker
